Re: Zend Engine

As you know, Zend Technologies, Ltd. ("Zend") remains deeply committed to the advancement and proliferation of PHP as an open source web scripting language. Zend currently makes its Zend Engine software available, as a standalone product, under the open-source agreement that may be found at http://www.zend.com/license/ZendLicense.txt (the "Zend Open Source License", a copy of which is attached as Exhibit 1). Since Zend Engine is a crucial component of PHP, Zend hereby makes the following commitments and assurances to The PHP Association (the "Association"):

- Zend will continue to make Zend Engine available as an open source product under the Zend Open Source License. If Zend changes the terms of the Zend Open Source License, the new license will be consistent with the Open Source Definition of the Open Source Initiative (see http://www.opensource.org/osd.html, a copy of which is attached as Exhibit 2).

- Without limitation of the license to Zend Engine granted to all users under the Zend Open Source License, the PHP Association is hereby authorized to market, distribute and sublicense Zend Engine, in source and object code forms, as an integrated component of PHP, to end users who agree to be bound by the PHP open-source license, version 2.02, in the form attached hereto as Exhibit 3 (the "PHP Open Source License"). However, if Zend Engine is either modified or separated from the rest of PHP, the use of the modified or separated Zend Engine shall not be governed by the PHP Open Source License, but instead shall be governed by the Zend Open Source License.

The following additional terms shall apply:

1.   Ownership. As between Zend and the Association, Zend shall retain all rights, title and interest in and to the Zend Engine, including but not limited to, all patents, copyrights, trade secret rights, and any other intellectual property rights inherent therein or appurtenant thereto. The Association will not delete or alter any intellectual property rights or license notices appearing on the Zend Engine and will reproduce and display such notices on each copy it makes of the Zend Engine. The Association's rights in and to the Zend Engine are limited to those expressly granted in this Letter. All other rights are reserved by Zend.

2.   Trademarks. The Association may display Zend's trademarks and trade names in connection with the marketing and distribution of PHP (as integrated with the Zend Engine), subject to Zend's then-current trademark policies. Without limitation of the foregoing, the advertisement or other marketing material used by the Association shall not misrepresent any of the technical features or capabilities of the Zend Engine.

3.   DISCLAIMER OF WARRANTY. THE ASSOCIATION ACKNOWLEDGES THAT THE ZEND ENGINE IS BEING LICENSED HEREUNDER ON AN "AS-IS" BASIS WITH NO WARRANTY WHATSOEVER. THE ASSOCIATION ACKNOWLEDGES THAT ITS USE AND DISTRIBUTION OF THE ZEND ENGINE AND THE INTEGRATED PRODUCT IS AT ITS OWN RISK. ZEND AND ITS

LICENSORS MAKE, AND THE ASSOCIATION RECEIVES, NO WARRANTIES, EXPRESS, IMPLIED, OR OTHERWISE. ZEND EXPRESSLY DISCLAIMS ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. ZEND DOES NOT WARRANT THAT THE OPERATION OF THE ZEND ENGINE OR THE INTEGRATED PRODUCT SHALL BE OPERABLE, UNINTERRUPTED OR ERROR FREE OR THAT IT WILL FUNCTION OR OPERATE IN CONJUNCTION WITH ANY OTHER PRODUCT, INCLUDING, WITHOUT LIMITATION, PHP OR ANY VERSION THEREOF.

4.   LIMITATIONS OF LIABILITY. IN NO EVENT WILL ZEND BE LIABLE TO THE ASSOCIATION, END USERS OF PHP OR ANY OTHER PARTY FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF OR RELATING TO THIS LETTER, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT ZEND HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. WITHOUT LIMITATION OF THE FOREGOING, UNDER NO CIRCUMSTANCES SHALL ZEND'S TOTAL AGGREGATE LIABILITY UNDER THIS LETTER TO ALL PARTIES, IN THE AGGREGATE, EXCEED ONE HUNDRED DOLLARS ($100). The parties have agreed that the limitations specified in this Section will survive and apply even if any limited remedy specified in this Letter is found to have failed of its essential purpose.

5.   GENERAL. The Association may not assign this Letter, by operation of law or otherwise in whole or in part, without Zend's written consent. Any attempt to assign this Letter without such consent will be null and void. This Letter will bind and inure to the benefit of each party's permitted successors and assigns. This Letter will be governed by and construed in accordance with the laws of the State of New York. Any suit hereunder will be brought solely in the federal or state courts in New York State, New York County and both parties hereby submit to the personal jurisdiction thereof. If any provision of this Letter is found invalid or unenforceable, that provision will be enforced to the maximum extent permissible, and the other provisions of this Letter will remain in force. All notices under this Letter will be deemed given when delivered personally, sent by confirmed facsimile transmission, or sent by certified or registered U.S. mail or nationally-recognized express courier, return receipt requested, to the address shown above or as may otherwise be specified by either party to the other in accordance with this section. The parties to this Letter are independent contractors. There is no relationship of partnership, joint venture, employment, franchise, or agency between the parties. Neither party will have the power to bind the other or incur obligations on the other's behalf without the other's prior written consent. No failure of either party to exercise or enforce any of its rights under this Letter will act as a waiver of such rights. This Letter and its attachment are the complete and exclusive agreement between the parties with respect to the subject matter hereof, superseding and replacing any and all prior agreements, communications, and understandings (both written and oral) regarding such subject matter. This Letter may only be modified, or any rights under it waived, by a written document executed by both parties.

If the foregoing is acceptable to you, please sign this and the duplicate original of this Letter where indicated below and return it to me at the above address.

Sincerely,

ZEND TECHNOLOGIES, LTD.

The Q Public License, version 1.0

Copyright © 1999 Troll Tech AS, Norway.

Everyone is permitted to copy and distribute this license document.

The intent of this license is to establish freedom to share and change the software regulated by this license under the open source model.

This license applies to any software containing a notice placed by the copyright holder saying that it may be distributed under the terms of the Q Public License version 1.0. Such software is herein referred to as the Software. This license covers modification and distribution of the Software, use of third-party application programs based on the Software, and development of free software which uses the Software.

Granted Rights

1.   You are granted the non-exclusive rights set forth in this license provided you agree to and comply with any and all conditions in this license. Whole or partial distribution of the Software, or software items that link with the Software, in any form signifies acceptance of this license.

2.   You may copy and distribute the Software in unmodified form provided that the entire package, including - but not restricted to - copyright, trademark notices and disclaimers, as released by the initial developer of the Software, is distributed.

3.   You may make modifications to the Software and distribute your modifications, in a form that is separate from the Software, such as patches. The following restrictions apply to modifications:

a.   Modifications must not alter or remove any copyright notices in the Software.
b.   When modifications to the Software are released under this license, a non-exclusive royalty-free right is granted to the initial developer of the Software to distribute your modification in future versions of the Software provided such versions remain available under these terms in addition to any other license(s) of the initial developer.

4.   You may distribute machine-executable forms of the Software or machine-executable forms of modified versions of the Software, provided that you meet these restrictions:

a.   You must include this license document in the distribution.
b.   You must ensure that all recipients of the machine-executable forms are also able to receive the complete machine-readable source code to the distributed Software, including all modifications, without any charge beyond the costs of data transfer, and place prominent notices in the distribution explaining this.
c.   You must ensure that all modifications included in the machine-executable forms are available under the terms of this license.

5.   You may use the original or modified versions of the Software to compile, link and run application programs legally developed by you or by others.

-1 1

6.   You may develop application programs, reusable components and other software items that link with the original or modified versions of the Software. These items, when distributed, are subject to the following requirements:

a.   You must ensure that all recipients of machine-executable forms of these items are also able to receive and use the complete machine-readable source code to the items without any charge beyond the costs of data transfer.

b.   You must explicitly license all recipients of your items to use and re-distribute original and modified versions of the items in both machine-executable and source code forms. The recipients must be able to do so without any charges whatsoever, and they must be able to re-distribute to anyone they choose.

c.   If the items are not available to the general public, and the initial developer of the Software requests a copy of the items, then you must supply one.

Limitations of Liability

In no event shall the initial developers or copyright holders be liable for any damages whatsoever, including - but not restricted to - lost revenue or profits or other direct, indirect, special, incidental or consequential damages, even if they have been advised of the possibility of such damages, except to the extent invariable law, if any, provides otherwise.

No Warranty

The Software and this license document are provided AS IS with NO WARRANTY OF ANY KIND, INCLUDING THE WARRANTY OF DESIGN, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Choice of Law

This license is governed by the Laws of the United States and the State of New York. Disputes shall be settled by state or federal courts in the State of New York, County of New York.
